

All Together Provision Year 7 to 11

Year 7 – 11 students learn about the World of Work, developing their employability skills through an enriched curriculum of contextualised learning opportunities and specific learning tasks, supported by an independent and impartial Guidance Professional.

KEY STAGE 3 PROVISION

- Curriculum support in all subjects from our All Together Guidance Professionals promoting a better journey to work by linking up with local employers.
- Allotted time in base group for self-development focusing on lifestyle and progression.
- Higher Education exploration and University input during assemblies.
- CV writing and completing application forms.
- The Aspiration unit in Year 9 focuses on CEIAG. The unit requires students to investigate various career options and the necessary qualifications to assist in making informed choices about their KS4 Option Choices. Students are required to prepare a presentation for their interview.
- Assemblies and other information on KS4 options including vocational and alternative courses.

KEY STAGE 4 PROVISION

- One week block Work Based Learning placement which, where possible, focusing on students future career aspirations allowing learning about work through the experience of work.
- Sixth form/College presentations
- University presentations
- Careers interviews for students
- Information on College Open dates
- Support with completing College Application forms and access to computers for on-line registration
- Mock Interviews, where deemed advantageous
- Supported CV
- Parent evenings and some assemblies are supported by our All Together Guidance Professionals
- Close monitoring of vulnerable students
