

# Uniform procedure in the morning

ALL STUDENTS ARE EXPECTED TO WEAR:

- Ipswich Academy Blazer
- Plain black trousers with a waist band & fly  
(no leggings, tight trousers or jeans with rivets & pockets are acceptable).

EITHER

- Plain white shirt and an Ipswich Academy tie

OR

- Ipswich Academy polo shirt

All should be worn with

- PLAIN BLACK FOOTWEAR AND DARK PLAIN SOCKS

JEWELLERY

Only ONE set of stud earrings and a watch can be worn for school. NO other accessories such as necklaces, bracelets (including loom bands) or any other piercings (facial or otherwise) should be worn for school.

Uniform needs to be worn correctly before gaining entry to the school through the Upper School gate or Lower School door.

From Monday 21<sup>st</sup> September students arriving to school wearing incorrect uniform will be required to enter through the main entrance and wait for a parental phone call and agreement to be made before accessing registration and their lessons. This process will happen every day until the uniform is corrected.

## Uniform – clarifications

Blazers are to be worn and sleeves rolled down

Shirts need to be tucked in.

Coats can be worn outside at break and lunch but should be taken off when entering the building to attend lessons. They should be kept in lockers (or carried and put on the back of chairs).

Hoodies are not permitted onsite at any time and may be confiscated.

All the same uniform rules apply with regard to jewellery, piercings, shoes, etc.

Students should bring a suitable bag to carry their books (A4 size), P.E. kit and equipment.

## Break and Lunch time

Students are permitted to eat their lunch (either a hot or packed lunch) inside the dining area during the first half of lunch before then going outside. At break students need to go outside.

Staff have listened to recent student feedback and have decided to open the 3G pitch at break time as well as lunch time. Students who wish to play football at break time are encouraged to bring their own football in to school (to be stored in their locker) to use at break or lunch time. Remember, no food or drinks can be taken on to the 3G pitch.

A whistle will signal the end of play on the 3G pitch and students are expected to finish their game promptly and vacate the pitch.

Following this a claxon will signal the end of break and lunch and all students will need to move promptly to their next period. If you can move to lessons quickly then we will not have to sound it as early!

**No food  
or drink**
