

Year 11 arrangements until the end of term

Well done to all of you for the way that you have conducted yourselves throughout the examinations so far. You have been fantastic!

We want to be clear with you about your attendance at school, running up to Monday 27th June and beyond.

From Monday 13th June, your timetable will change completely. You will be attending any lessons where you have revision lessons or coursework outstanding and European Computer Driving Licence (ECDL) sessions. Attendance at these sessions is compulsory.

What happens when I have an examination?

When you have morning examinations you are required to be in school by 7:45 a.m. If you have examinations in the afternoon, you will be required to be in school by 12:15 a.m.

Which revision and coursework sessions will be running?

Revision sessions and coursework sessions have been timetabled for each lesson. It is compulsory for you to attend the revision sessions which correspond to the examinations/courses that you are taking.

How will ECDL work?

To complete the ECDL, you will need to attend ECDL workshops before you take the tests. ECDL workshops and testing slots will be running every lesson. You will sign up to the ECDL workshops that you want to attend to prepare you for the test and then you will be allocated a test date - there are four tests for you to complete. Completion of the course is compulsory. The sooner you sign up, the sooner you will complete the course. The sign-up sheet will be in the SYSZ so that you can access it easily.

Will I still be able to study in the SYSZ?

The SYSZ will be open as usual for you to study in, from 7:30 a.m. to 6:00 p.m. every day and weekends from 10.00 a.m. to 2.00 p.m.

What happens when I have finished my examinations, coursework and ECDL?

As soon as you have finished all of your exams, completed your coursework and completed the ECDL course, you no longer need to attend school. It is anticipated that most of you will have achieved this by Monday 27th June, which is the last examination date. When you have completed everything that you need to, we will sign your leaver's form and prom card which will then release your prom ticket at your graduation assembly and allow you to collect your results in August.

Please see overleaf for the timetable of when you need to be in school. You need to sign in and out at the front desk of the SYSZ when you arrive at and leave school. You do not need to register with your base group tutor from Monday 13th June.

Timetable for week beginning 13th June

	Period 1	Period 2	Period 3
Monday 13th June	Child development revision X band science revision ECDL workshops ECDL tests	Catering revision Y band science revision Triple science revision ECDL workshops ECDL tests	Child Development exam Hospitality and catering exam Triple science revision History revision ECDL workshops ECDL tests
