

20 December 2016

Dear students, parents/carers, staff and members of the community forum,

One of the most important things our Directors are responsible for is ensuring that our academies have strong, effective leadership. I am delighted to let you know that the Directors have appointed Mrs Winn as Interim Principal and Mrs Willis as Interim Assistant Principal.

Mrs Winn and Mrs Willis will continue to work closely with me as Chief Executive Officer, whilst they take up their responsibilities. I have the responsibility to ensure that they both receive all the training and development opportunities they require.

We do not expect you to notice much difference as everyone will be focussed on what matters most, the quality of teaching.

Yours faithfully

Amanda Phillips CBE
Chief Executive Officer
