

13 December 2017

Dear parent/carer,

The students have been asking for an event to raise money for a local charity. The charity that they have chosen is East Anglia's Children's Hospices which is better known in the area as EACH. On Tuesday 19<sup>th</sup> December, we will have a jumper day when students can wear a long sleeved jumper of their choice with their normal school trousers and school shoes. Some students have said that they would like to wear a Christmas jumper which is allowed but there is no obligation for parents/carers to buy a special jumper for this day.

Students wishing to take part in the jumper day will be expected to donate £1 towards the EACH charity fund. Base group tutors will collect the donations at the start of the school day and we will present our donations to the charity in January.

We will be holding awards assemblies during the day so that we can celebrate the great progress, behaviour and contributions of our students.

I am really proud that, without being prompted, our students show an interest in their local community and have a true sense of community responsibility.

Yours faithfully,

**Helen Winn**  
Principal
