

28th February 2019

Dear parents and carers

It is coming to that busy time for all year 10 students before they make their transition to their final year at Ipswich Academy. As you are aware, year 10 students will be taking part in work experience in the week commencing 24th June. Any outstanding work experience forms need to be handed to Vicky Addis, our Careers Leader, as soon as possible.

After students return from their week of work experience they will complete a set of mock examinations in each of their subjects, as well as attending year 10 parent consultation evening on Thursday 11th July. Further details of both these events will be sent to you nearer the time. Students can start revising now to allow them to be well prepared for these examinations. All year 10 students are able to use the SYSZ as a study space after school daily; there are revision resources for each subject and computers available for them to use. Please see below some useful websites which can be used for their revision.

www.gcsepod.com

www.pearsonactivelearn.com

Students may be starting to think about their future career prospects, therefore please see below dates of the remaining open events at post 16 providers for this academic year.

- Otley College on Saturday 9th March 9.00am-12.00pm
- Suffolk One on Thursday 13th March and Thursday 6th June 6.00pm-7.00pm
- Suffolk New College on Thursday 21st March 5.30pm-8.00pm
- West Suffolk College, Bury St Edmunds on Tuesday 2nd April 3.30pm-7.30pm

If you have any questions regarding the information please contact the school on 01473 550040 or email info@ipswichacademy.org.uk

Yours faithfully

Kyra Bartrum
Assistant Principal
