Dear parent/carer

Re: Homework Launch

The Academy has been evaluating the way homework is set for our Key Stage 3 students and will be adopting a new system from September. Each student will be given a booklet containing key facts which are essential for their studies. Over the course of the term, students will learn these key facts in a systematic way.

We are holding a series of information sessions on **Thursday 7th September** so that you can learn about the homework booklets; and we plan to give you some practical tips as to how you can support your child at home. The times are as follows:

Year 7: 1630-1700

Year 8: 1730-1800

Year 9: 1830-1900

I look forward to seeing you.

Yours faithfully

Julie Wilson

Lead teacher with responsibility for homework
