

28th February 2019

Dear parents and carers

Year 8 celebration of work evening with supper

On Thursday 25th April at 5.30pm we are holding a celebration of work evening for all year 8 students and their parents and carers.

The evening will consist of a talk from the principal followed by a fish and chip supper with a chance to talk to senior members of staff. Your child will then have the opportunity to show the progress they are making in every subject by looking in their exercise books. We hope this will be a fantastic chance to see the work your child has produced this academic year and to celebrate all their hard work.

If you have any questions regarding the evening please contact Miss Bartrum at the school on 01473 550040 or email kyra.bartrum@paradigmtrust.org

We look forward to seeing you all on Thursday 25th April.

Yours faithfully

Kyra Bartrum
Assistant Principal
