Dear Parents/Guardians,

**Re: Year 11 Health and Fitness Intervention – Important Dates**

We hope this letter finds you well. We are writing to inform you about an upcoming Year 11 intervention program designed to enhance your child's preparation for their NEA project in Health and Fitness.

**Dates and Times:**

- Every Tuesday morning 08:00 - 08:30 (Study Hub)
- Tuesday 24th September 15:00 - 17:30 (Library)
- Friday 4th October 15:00 - 17:30 (Library)

**Purpose:**

This intervention program is the final phase of preparation for your child's NEA project, which is scheduled to commence during the week of **October 7th, 2024**. The NEA project completes your child's coursework, accounting for 60% of their final grade. It is imperative that your child attends these intervention sessions to maximise their chances of success.

**Important Notes:**

- The NEA project will be completed in exam conditions, without any assistance from peers or teachers. It is essential that your child is well-prepared to tackle this challenge independently.
- If your child encounters any difficulties or has questions about the coursework, they are encouraged to seek clarification from their teachers prior to the intervention dates.
- We understand that the Year 11 journey is demanding, and we greatly appreciate your continued support in ensuring your child's success. By attending these intervention sessions, your child will have the opportunity to refine their understanding and skills, making them well-equipped to excel in their NEA project.

If you have any concerns or questions regarding this intervention or any other academic matters, please do not hesitate to get in touch with us. Together, we can help your child achieve their full potential.

Thank you for your cooperation and commitment to your child's education. We look forward to seeing your child at the Year 11 Health and Fitness Intervention.
