

Ipswich Academy
Part of Paradigm Trust

Open Evening

Thursday 18th September 2025
5.00pm - 7.00pm

Mr Wilding, Principal of Ipswich Academy, and his team would like to invite children and families from our local primary schools to an Open Evening to see the exciting prospects our academy offers.

We will be offering after-school parent/carer tours on an individual basis, please call the academy to book.

We cannot wait to meet you!

At Ipswich Academy we strive to ensure that all students, regardless of background, are provided with the opportunity for a good education.

We are clear about our vision; we are clear about how we are going to achieve this; and we are very clear that we want parents/carers to work with us. We believe that great communication and support between parents/carers and our staff is key to a child's successful school experience.
