## **Year 11 Information Evening - Tuesday 7th October 2025**

Dear Parent/Carer,

We would like to invite you and your child to our **Year 11 Progress Evening** on **Tuesday, 7th October from 5:30 p.m. to 7:30 p.m.** This is a crucial event designed to help your child prepare for their final GCSE examinations and plan for their future.

The evening will have two main purposes:

- To inform you and your child about what is expected this year and what support they can expect from the school.
- To help your child begin to secure their progression to the next stage of education, employment, or training.

We know Year 11 can be challenging, and this event is a key part of our support. It will provide vital information on:

- Key dates for the academic year.
- Details on revision sessions and study resources.
- Effective revision techniques and how you can support your child at home.

We are also delighted to be joined by a number of post-16 providers who will have stalls set up in the Study Hub. This is a great opportunity for you and your child to speak with them directly about their offers and your child's options.

The evening will begin with a presentation in the Main Hall from 5:30 p.m. until approximately 6:15 p.m., after which you can speak with the various providers.

Your attendance and ongoing support are greatly appreciated as we work together to help your child achieve their full potential.

Yours sincerely,

**Adam Wilding**  
Principal
